DEVELOPMENT FAVOURS ACQUISITION AND AIR BASES IN THE PACIFIC

SAN FRANCISCO, Sept. 22 (Reuter)-" We must send, and keep on sending, aid to Britain, our first line of defence and our only remaining friend," declared MR. WENDELL WILLKIE in an election campaign speech on Foreign Affairs yesterday.

"We must aid her to the limit of prudence and effectiveness as determined by impartial experts in this field. In the Pacific our best ends must be served by a free, strong and democratically progressive China and we must render China economic assistance to this end."

MOST SENSATIONAL KIDNAPPING SINCE LINDBERGH CASE

HILLSBOROUGH (CALIFORNIA), Sept. 22 (Reuter) -The war has almost been knocked from the newspaper headlines here by the kidnapping of three-year-old MARC DE TRISTAN, son of Comtesse Marc De Tristan, by two men yesterday while he was out walking with his nurse. The case is one of the most sensational since the Lind-

bergh kidnapping in March, 1932. The distracted parents, whose wedding at Burlingham, Califor-

nia, in 1936, was a brilliant social affair, have raised the \$100,000 demanded in a type-written note dropped from the car as the kidnappers sped away after seizing the child.

Men of the Federal Bureau of Investigation have been withdrawn from the parents' palatial mansion to allow the parents to contact the abductors.

FREMANTLE **FEDERAL** ELECTIONS

LABOUR LEADER LOSES SEAT

MELBOURNE, Sept. 22 (Reuter) -It now seems almost certain that Mr. Curtin, the Labour leader, has lost his seat at Fremantle Federal elections although he was previously reported to have increased his vote.

The aminimum and maximum number of seats that Parties are now expected to obtain in the House of Representatives are Government (United Australia and Country Parties) 38 and 41, respectively, and Labour Party 33 and

SWING FOR LABOUR IN N.S.W.

MELBOURNE, Sept. 22 (Reuter) -Returns available late last night indicated that Australia's first wartime general election may resuit in a stalemate with a coalition of the Government's majority considerably pruned.

A terrific swing towards Labour in New South Wales is partly oilset by Government gains in South Australia and Tasmania.

Latest indications give State parties in the House of Repre-'sentatives as the United Australian Party (Government) 25, the Country Party (Government) 12, Federal Labour 28, non-Communist Labour 5 and Independent one.

This leaves three seats doubtful Works also assumes the Ministry of but all of them are likely to provile Labour victories.

In the Senate election, Labour has gained in New South Wales and Queensland, but Government is holding its own elsewhere.

MELBOURNE, Sept. 22 (Jeuter) It is known that the Labour that there is no swing either in Party has definitely gained five favour of the Government Party seats in the Federal elections while five others are possible gains. The seat of Mr. R. G. Menzies. On the other hand Government Prime Minister, appears to be von four seats from Labour.

Mr. Willkie added that he favoured exploring, acquisition and development of Pacific air bases for the protection of United States interests in that ocean.

Mr. Willkie proceeded to make a charge that the present Administration of the United States had "contributed to the downfall of democracy and must bear a direct share of the responsibility for the present war."

He said that to regard President Roosevelt as the defender of democracy was "well untenable and added that America was faced with a changed world beyond her

Italian Communique Claims

Italian communique today claims "very important results" in bombing Mersa Matruh.

The communique states that numerous fires were observed and direct hits were registered on targets which, despite the enemy's A. A. defences, were destroyed.

SPANISH PRESS ON SUNER VISIT

HITLER WOOING FRANCO

MADRID, Sept. 22 (Reuter) -Senor Suner's visit to Germany how openly linked with Herr von Ribbentrop's Rome trip-received much attention in the Spanish press.

It is rumoured from Rome that Senor Suner may return via the Italian capital. The impression is obtained, however, that there is a propaganda motive in both "The loneliness of the United Senor Suner's journey and Herr

PROBLEM POVERTY HONGKONG

On Fundamental Economic Reform

"Many people here think that an annual subscription to charitable society absolves them from responsibility for the rest of the year. Something more drastic has got to be done in the way of fundamental economic reform." remarked the Rev. J. R. Higgs, Vicar of St. Andrew's Church, when speaking at the Y.M.C.A. Discussion Group last night.

No Gunfire, Searchlight Activities For Long Periods In Capital

LONDON, SEPT. 22 (REUTER)—WHILE PRELIMINARY REPORTS INDICATE THAT ENEMY AIR ATTACKS ON LONDON DURING THE NIGHT WERE ON A SMALLER SCALE THAN ON PREVIOUS NIGHTS, RAIDS OVER SOUTH-EAST ENG-LAND WERE EXTENSIVE OVER 20 TOWNS AND VILLAGES IN THAT AREA BEING VISITED.

In London there was no gunfire or searchlight activities for considerable periods. Incendiary bombs started some fires in several east and south London districts but none in the central area and all were quickly under control.

A church hall in the central area was hit in which a number of people were in shelter below but no one was hurt.

Another bomb fell on a hospital but neither the patients nor the staff were injured. The attack, which as already

announced was made shortly before dark yesterday evening in South-East England was not heavy, says a communique issued by the Air Ministry and Ministry of Home Security.

A few bombs were dropped in the south-western outskirts of the London area and at a few places in Kent and Sussex.

Damage was slight and casualties have been reported It is now known that a

By night enemy activity was somewhat more widespread than on previous nights though London Spain with 'the advantages of was again the principal objective. ATTACK HEAVIEST

Bombs were dropped in several parts of the capital and once more the attack was the heaviest in the eastern and southern districts.

A town in North-West England was also attacked and houses were destroyed, damage caused and fires started. Most of these were quickly brought under control and it was largely due to the work of the fire services that the damage caused was not serious.

In South-East England, outside the London area, houses were destroyed and some casualties were caused one of which was fatal. Elsewhere little damage was reported and there were no casualties.

It is just announced that a third enemy bomber was brought down last night in Wales.

Enemy activities over this country yesterday were limited, until late in the evening to a few isolated operations by aircraft cut about the face and body. flying singly or in small numbers, says a communique issued by the Air Ministry and the Ministry for Home Security.

In these operations bombs were dropped in a district of East andon where on industrial build. ing was hit and some casualties were caused. FAIL TO PENETRATE

FAMOUS LEGLESS FIGHTER PILOT IS AWARDED D.S.O.

LONDON, Sept. 22 (Reuter)—ACTING SQUADRON LEADER D.R.S. BADER, famous legless R.A.F. fighter pilot, has been awarded the Distinguished Service Order for gallantry. Born in London, Squadron Leader Bader lost his leg in

an air crash shortly after being commissioned in the R.A.F. some years before the war. He was invalided out of the service and when war came he volunteered and because of his extraordinary bellitte with this in this legs, he was accepted.

In a recent combat report Bader described how he led his Hurricanes over Essex against a formation of 70 to 100 German bombers and fighter-bombers.

When they counted up afterwards the squadron found that 11 enemy aircraft have been destroyed without so much as a bullet hole in any of the Hurricanes.

Playing at Sookunpoo the Royal Scots defeated the South China XI by one goal to nil in the First Division.

South China initiated several attacks during the early stages of the game, and their long passing tactics caused some bewilderment to the soldiers. Not long after, however, the Royals got settled and took their turn attack. Gilroy netted from pass from Faulkner, the soldiers thus going into the lead.

There was no scoring in the second half of the match, though the conclusion of the several incidents occurred which resulted in a Chinese player beshing being sent off following an Road injury to Clarke, who had to be carried off the field.

CLUB AND SING TAO DRAW

ATTACK WELL LED BY FOWLER

Club, playing with only six regular players, the rest being made up of Sing Tao reserves, held the latter senior eleven to a draw of two gouls each in a friendly soccer match on the Club ground yester-

Club players who took part in the game were Gratton, Forrow, F. Fowler, E. Strange and Bick ford, who formed the forward line, and Odell who kept goal. **EXCHANGES EVEN** The exchanges were, on the

balanced combination while the whole quite even though Club Gunners appeared to be in need of had a slight edge over their opponents in the first half. Fowler played a bustling but effective game and led the attack well. The whole Club front line worked smoothly and would have, done justice to any team.

Sing Tao did not field their strongest team and were apparently taking it easy, never at any stage greatly exerting themselves. Lee Tin-sang and Hau yung-sang, though giving too much rope to the Club forwards, played. well within themselves, while Lai Shiu wing was the only forward who seemed to be taking the game seriously, working hard for openings.

CLUB LEAD Fowler opened the account for Club who maintained this lead until about midway through the second half when Lai receiving a pass from the right, equalised for Sing Tao.

Shortly after, however, Gratton gathering a loose ball, lobbed over the Chinese goal keeper to give Club the lead again. After some even exchanges Kwok Yingki levelled the score when he netted from a scrimmage. CUNNERS LOSE

Prior to the senior game Sing Tao juniors engaged 25th Heavy Bty R. A. in another friendly match and trounced the gunners by nine goals to one.

LIGHT ON SITUATION IN INDO-CHINA

HAIPHONG BLACKED OUT NIGHTLY

SOME LIGHT ON THE SITUATION IN INDO-CHINA DURING THE PAST FEW DAYS WAS CAST BY A FRENCHMAN, IN HONG-KONG ON HIS WAY TO THE NORTH, WHO WAS INTERVIEWED BY A HONGKONG DAILY PRESS REPORTER IN THE COURSE OF THE WEEK-END.

The Frenchman left Haiphong only five days ago. His countrymen there strove to put on an optimistic face as to the immediate future, he said, but Haiphong was blacked out every night and" the general impression given the man in the street by the government's attitude was that he should be prepared for anything."

MASS MIGRATIONS CHANGING EUROPE

Shifting Of Peoples Expected To Have Lasting Effects

A vast army of nomadic refugees is now scattered over Europe as a result of the war. Homeless and stateless, most of them penniless, these involuntary exiles are "migrating across the face of Europe, from the Baltic to the Red Sea, looking for their families, looking for Jobs, looking for peace. They are creating some of the most perplexing social, economic and political problems that have arisen in the history of man, writes James B. Reston in the Japan Chronicle.
